

## Activity between 1<sup>st</sup> April 2021- 31<sup>st</sup> March 2022

### World Health Day at SCS 07 April 2021

Surendranath Centenary School celebrated **World Health Day** on **7th April**. "**Today & each day we need to keep ourselves fit and healthy** " this was portrayed by **Std I students** through various online activities. **Vedant Singh of Std I** gave an introduction on health and fitness and stated the importance of this day. **Yoga** was performed by the teachers of the junior wing. Children prepared videos staying at home and explained about the various food items that should be consumed to stay healthy. They also parted information about herbal plants those are home made remedies. Interaction with our doctor parents was organised on Zoom where they gave valuable tips on fitness. They answered every query of our children enthusiastically. As part of community service the children were supported by the parents in distribution of healthy food to the needy in their locality. The students also participated in a drawing activity.

The Principal **Mrs. Samita Sinha** said that health and wellbeing are the key factors of a meaningful life. A healthy person is an asset to the society. With diseases prevailing in the environment we all need to be aware and take preventive measures to keep ourselves fit and healthy.

### World Heritage Day Celebration at SCS 18 April 2021

**World Heritage Day** was celebrated in **Surendranath Centenary school** on **18th April** on a virtual platform. The aim was to make people aware of the importance of the cultural heritage and its preservation. Various activities related to rich culture and traditions of India were organised by the school. **The students of class V** participated with zeal and enthusiasm. **A virtual quiz** was conducted on Jharkhand's Heritage sites. **Children** also participated in **Model Making**, they used biodegradable materials for making models. Scrapbooks were also designed with pictures of the historical monuments which they had taken while visiting these sites in the past. Children also visited the **Ratu palace and Jaggannath temple with their parents**. The Principal **Mrs. Samita Sinha** delivered an important message to the students. She said that we need to preserve our monuments and cherish them as they are the fore tellers of the past.

### Celebration of World Earth Day 22 April 2021

On the occasion of the **Earth Day** an array of activities was organised in **Surendranath Centenary school** on **22nd April, 2021**, with a view to sensitize the children about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful.

**Students of class IV** participated in **slogan writing, poster making, planting saplings etc**, not only that they also spread awareness in their locality by gifting saplings to their neighbours, a beautiful act was performed online on the topic '**Earth in 1970 and now in 2021**'. A guest Scientist **Mr. Ravindra Kumar Singh** of **Krishi Vigyan, Ranchi**, addressed the students and interacted with them telling them the importance of conservation, they also learned about drip agriculture. Parents helped in '**Craft Display**' using the discarded material at home and reusing them. The senior secondary students gave wings to their imaginations portraying the face of earth through their paintings. They also performed dance and songs related to mother nature, a speech was delivered by **Risha Himanshi of class IX** on the same topic. Madam Principal **Mrs. Samita Sinha** in her speech said that it's time for all of us to **alter our habits and change our lifestyle**, we have done enough harm to our **planet Earth** and now we need to introspect and act wisely.

## SCS Celebrates Labour Day 01 May 2021

To celebrate the painstaking efforts of the labour force, the students of class III performed many activities. A speech was delivered by Chaitanya and English and Hindi poems were recited by Aakriti Khawas and Angela Das. Posters were also designed portraying the importance of this day. They also made thank you cards and expressed their gratitude by giving away cards and flowers to the helpers at home. To respect and appreciate the efforts of the labourers, children participated by dressing up as a plumber, mechanic, cook, fisherman, cleaner, painter, etc.

The Principal Mrs. Samita Sinha said "We must learn to respect and appreciate their efforts. This day is a reminder for us that these are the real architects of our society".

The young ones were overwhelmed by this act of thankfulness and enjoyed the day.

## SCS celebrates Mother`s day and Rabindra Jayanti 09 May 2021

"God is non existential so he has created mothers", students of class II celebrated mothers day at home enthusiastically under the guidance of their teachers on 9th May, 2021. Children showed their gratitude towards their mothers by participating in various activities like delivering speech, reciting poems, making beautiful cards and paper bouquet for their mothers and presenting them. Fathers also took keen interest in helping their children to prepare special lunch to celebrate this occasion. Working mothers as well as homemakers were invited on Zoom to share their feelings. Junior wing teachers did a splendid job by celebrating Rabindra Jayanti on 9th May to honour the Literature Laureate Rabindranath Tagore . They performed online to entertain our children by presenting a short programme by singing Rabindra Sangeet, performing Rabindra Nritya, Recitation and quotes by Rabindranath Tagore. The Principal Mrs. Samita Sinha said that it is important to celebrate these days to inculcate values in our children as they are the hope for the society.

## SCS Celebrates World Environment Day 05 June 2021

To observe World Environment Day in a unique and inimitable manner, Surendranath Centenary school organized a series of activities virtually. Students from classes I to X participated in various activities; giving the message of keeping the surroundings uncontaminated and save our planet "Earth". Teachers, as well as parents encouraged the children to work collectively for the protection of the Earth and emphasized on the need to build a greener world.

Students of the Junior section displayed a plethora of activities. Apurv Vihaan of class 1 gave an introductory speech on the importance of this day. Numerous plant saplings were planted by these tiny tots. They gave wings to their imagination by writing and displaying slogans and came up with flying colours. All the students collectively participated in an activity "Message to friends- protect the environment" spreading awareness about the importance of environment conservation.

Children from classes VI to X put up a beautiful show with their collective efforts. Students presented beautiful paintings made by them based on the theme of World Environment Day. Some students sang melodious songs and another one gave an enticing speech. Two of our students danced gracefully while some of the eminent teachers (Dr.

**Shukla Bose and Mrs. Piali Dasgupta**) gave inspiring speeches and shared their opinions with the students about the important of resource conservation and climate change. All of these activities were compiled in a video by the teachers.

Overall, it was a successful attempt by the students and teachers even while they stayed at home. They showcased their talent by putting in their effort. The Principal **Mrs. Samita Sinha** appreciated the collective efforts made by all and said "**No effort is small. Each helping hand counts to support this initiative and to spread awareness among people. So, let us all join hands to protect our environment to ensure a healthy and safe future.**"

### **SCS Celebrates International Yoga Day and World Music Day 21 June 2021**

For many years now, **June 21** has been celebrated as **World Music Day, and International day of Yoga. Surendranath family** celebrated these days with zeal and enthusiasm this year, even while staying at home.

**Students of classes UKG to V** delivered speeches highlighting the importance of yoga, beautiful posters were also designed as students gave wings to their imagination. Not only that but also taught **yogasanas** to their siblings and performed yoga with their family members. **Tiny tots chanted "OM" whereas III to V chanted "Gayatri Mantra".**

**Music** plays a vital role in the overall development of the children. Keeping this in mind, a programme was put up by the children of **classes UKG to X** under the able guidance of the music teacher. This time the theme was "**Unity in Diversity**". Children performed euphonious songs of different languages like **Konkani, Bengali, Gujarati and chotanagpuri**. They also played musical instruments like **guitar, mouth organ and casio** and uploaded the video on YouTube.

The Principal **Mrs. Samita Sinha** said that it is essential to enhance the **EQ (Emotional Quotient)** of the children right now and these activities help in maintaining the mental health of the children.

### **SCS Shines in ATL Inter School Competition 25 July 2021**

An **APP CHALLENGE COMPETITION** was held on the **25TH of JUNE 2021** by **TECH B (M.P)**. In this competition total 198 students participated in virtual form from Jharkhand, Orissa, Bihar, M.P, Gujrat and Maharashtra. In this challenge students submitted working app which can be used for learning various **scientific concepts and applications**. From **Surendranath Centenary School, Ranchi** total 39 students participated from class VI to XII under the guidance of **Vandana Mishra**. **Out of top 10 ,five students won the certificates and prizes from our school**. The winners are **KANISHK RAJ Rank 4th(VIIA), Vipul Divy Rank 6th(IX D), Suditi Shreya Rank 7th(6C), Arpita Shree Rank 9th (X D)and Nitin Kumar Rank 10Th(6D)**. There projects are **WEB CRAWLER,HELP ME OUT, Covid 19 awareness app, covid app and painting app** respectively.

### **Van Mahotsav @ SCS 03 July 2021**

**Vanmahotsav**, a week long **festival of tree plantation** is organised every year in the first week of July across India. In an earnest attempt to lend a green touch to the environment and sensitise the students about their role in conserving it, **Surendranath Centenary school** celebrated **Vanmahotsav week**. The focus of the Celebration was towards forming a personal connection between the students and trees through a process of experience, reflection and creation. The school authority took an initiative by planting the saplings of

Jacaranda trees and many more to maintain the greenery and beauty in the school premises. The Principal **Mrs. Samita Sinha**, Vice Principal **Mr. Debasish Bhattacharya**, senior teachers **Mr. Asit Pradhan** and **Mrs. Annanya Sen** were the part of this green drive. Different activities were carried out by the students of

UKG . They delivered speeches on medicinal plants, gifted plant saplings to their friends, relatives and neighbours . A group of students performed regional dances with delight on the theme through online platform. The tiny toddlers recited "**Trees are our life**" and "**Van humara jeevan hae**" .

A strong message was delivered by a school alumni (Parent).

### **No Plastic Day @ SCS 03 July 2021**

**Surendranath Centenary school** organised a campaign on **3rd July** to create awareness about the **hazards of plastics**. The campaign was named '**Say No To Plastics**'. **Classes VI to VIII** participated eagerly to make the campaign successful. **Banners with slogans** were displayed in their localities where they picked up plastic bags and cleaned up the litters. **Children also made posters** showing the hazards of polythene bags used in the society. Many other activities like **speech, dance, songs** were performed on the topic. A beautiful poem was composed by **Harshvi Shah** of **std VII**. Children also made paper bags and cloth bags for their use. The Principal **Mrs. Samita Sinha** praised the students for their good work and said that they need to be the good citizens of the country and help in making the nation pollution free.

### **Celebration of World Population Day @ SCS 11 July 2021**

**World Population Day** is an annual event celebrated on **11th July** to raise awareness of global population issues. The day was celebrated with great enthusiasm by the students of **Surendranath Centenary school** to mark the importance of the **World Population Day**. **Children from classes 6 to 9** participated in various activities like **slogan writing, drawing, reciting poems, speech** etc. They also prepared **ppt on Data Analysis to highlight population growth and its bad effects**. Short messages were delivered by students and teachers. The main goal of the day was to focus the attention of the world on the importance of Population issues. The Principal **Mrs. Samita Sinha** said that "**We can't ignore the fact that COVID 19 pandemic disturbed and staggered people, communities and economies everywhere**", hence she urged the students to take care of their health and safety so that they become responsible citizens of the country

### **Celebration of 75th Independence Day 16 August 2021**

**Surendranath Centenary school** salutes the nation on the auspicious occasion of **75th Independence Day** on **15th August 2021**. The ceremony started with the unfurling of the national flag by the Principal **Mrs. Samita Sinha**, all staff members and NCC cadets sang the national anthem in unison and expressed the joy of freedom. **NCC cadets** held a unique March past led by **Siddharth Kaushal** of **class XI**. An online programme was also organised for the students where they expressed their sentiments and aspirations for the country through various activities like **patriotic songs, speeches, dance and fancy dress, the tiny tots dressed in the outfits of the freedom fighters**. The Principal **Mrs. Samita Sinha** addressed the students by asking them to take a pledge to uphold the rich tradition and culture of India, work together and wipe off social evils and learn to live in harmony.

## **Felicitation Ceremony @ Surendranath Centenary school 19 August 2021**

Appreciation is the highest form of prayer, so Management committee and Principal **Mrs Samita Sinha of Surendranath Centenary school** decided to felicitate the students of **AISSE & AISSCE batches 2020 & 2021 on 18th & 19th August 2021**. The children were invited and given away awards, certificates and gift vouchers. The prestigious awards were given to the children who secured the highest percentages in **AISSE & AISSCE**. **Sneha Das Choudhary (Science Stream- AISSCE 2021) received Ranadeb Choudhary Endowment Award** whereas **Devika Shah, Commerce AISSCE- 2021 received Mira Choudhary Endowment Award**. **Sujoy Basak (AISSE) 2021 received Amala Goswami Award**. 21 students from (2020 AISSE) and 34 students from 2021 AISSE were given certificates and vouchers. 53 students ( AISSCE) were felicitated on 18th August 2021. 'Certificate of Appreciation' were given to the special achievers who got admissions in esteemed institutions. **Principal Mrs Samita Sinha** addressed the students and said that they need to pursue their dreams and do well in their lives to earn success and make their parents feel proud.

## **Inauguration of ATL @ SCS 28 August 2021**

It was a proud moment for **Surendranath Centenary school on 28th August, 2021** because of the inauguration of the coveted **ATAL TINKERING LAB( ATL)**. The lab was inaugurated by the **Chief guest Sandhya Rani, assistant professor in University of Polytechnic, BIT MESRA**. The lab will boost scientific innovation. The lab is equipped with ' **DO IT YOURSELF KITS**' and other instruments. The school is truly making all sincere efforts to create innovators for a skilled India. This will surely support young talent to hone their curiosity, creativity, adaptive learning and physical computing to understand the basic concept of STEM. Students from VI to XII will benefit from the lab. The students displayed innovative and futuristic models of Obstacle Avoiding Robot, Line Follower, Position Display System, Smart Dustbin, Covid safe Office, Smart Basin Automatic Agriculture Land etc on the inauguration day. The Principal **Mrs Samita Sinha** said that Lab would teach students essential 21st century skills which will help them in developing their professional and personal skills. She urged students to make best use of this lab and wished all the success for their future endeavour.

## **SCS Celebrated National Sports Day 30 August 2021**

On the special occasion of National sports day, **Surendranath Centenary School** organised an **Inter house basketball match** in the school premises. This match saw a friendly competition between the students of two houses, namely the **Leopard house and the Cheetah house**. There were 12 players in each team. **The students of Leopard house emerged as winners in this match with a final score of 12-10.**

The principal **Mrs. Samita Sinha** appreciated the sportsman spirit of the students and further added that Sports is an essential part of a student's life. It is important for the overall growth and progress of a child.

## **Webcast of PM Speech\_Only School from Jharkhand to attend the Webcast 07 September 2021**

An event **Sikshak Parv** was organised nation wide by CBSE on 7.9.21. It was a proud moment for SCS family to know that Surendranath Centenary school was among 32 schools

and only independent school from Jharkhand to be selected all over India to join the live meet on the inaugural conclave of Sikshak Parv at 10.30 am in the school auditorium. There were around 50 students and approx 50 teachers who witnessed the live programme. Everyone was inspired by the speech delivered by our honourable **Prime Minister Sri Narendra Modi**. He congratulated India for celebrating **Azadi ka amrit Mahotsav**. He mainly focused on the 5 strategies planned under NEP- 2020. He urged the teachers to participate for '**Vidyanjali**'. He cited an example of recent Olympic games in Tokyo and Para Olympics that how it has inspired the Youth all over India. **The programme was covered by Ranchi Doordarshan**. Teachers and students were interviewed. The Principal **Mrs Samita Sinha** said that she is very happy with the upcoming New Education Policy which is introduced by CBSE recently. She expressed her gratitude to honourable Prime Minister who has taken the initiative to bring revolution into the system, She also briefed that how SQAA Framework will be beneficial for all and will change the dimension of Education system. Students were very excited and enthusiastic, they too expressed their views, Sujoy Basak (XIC) appreciated the step taken by **PM Modi** for he has asked the Olympic participants to visit the schools to promote sports so that children actively participate in Sports events. The children were made aware about the innovative changes, they assured to build a new nation and fulfill the dream to become global leaders in the field of education.

## **SCS Celebrated Swachhata Pakhwada 15 September 2021**

Surendranath Centenary school observed **Swachhata pakhwada** from 1st September to 15th September, 2021. Various activities were organised in offline as well as online mode for the students of **UKG to XII** to participate. The activities took off with the **Swachhata Shapat** day on 1st September, 2021. Students were made to assemble and take the pledge. Following this, swachhata awareness day was organised on **2nd September 2021**. Green school drive days gave opportunity to plant saplings to add onto the greenery. *Hand wash Day, Personal Hygiene Days, Quiz, Speech competition.*

*Hindi and English essay writing competition, slogan writing Painting Competition, Cartoon Making* gave enough of opportunity for the students to participate and exhibit their talent and know the importance of cleanliness. Children also made things out of waste, Further more, the parents, the students and the teachers participated in preparing the action plan for **Swachhata pakhwada**.

Prizes were given away to the winners for their commendable performance on the prize distribution Day on 15th September, 2021. The pakhwada closed with zeal to have a better and cleaner future ahead. The Principal **Mrs Samita Sinha** said that we need to care for our environment joining hands together to make our nation clean, green and beautiful. She also added that each one should contribute to maintain our environment

Azadi ka Amrutmahotsav 11 October 2021

Honourable **Prime Minister Sri Narendra Modi** has often shared his vision of building a new, **Atmanirbhar Bharat by the year 2022**. Azadi ka amrit Mahotsav is the part of the annual celebration by the nation. To commemorate the special occasion Surendranath Centenary school has organised many activities following the annual calendar designed by CBSE. The grandparents participated by telling stories to the tiny tots of classes 1 to III on freedom fighters through online platform. They also shared their experiences with the students during live classes. The students of Senior section participated in poster making, they designed the posters of the freedom fighters and displayed the same. The Principal **Mrs Samita Sinha** said that it is important to instill values in the children of the present generation and experience the feeling of nationalism through these programmes.

## SCS Celebrated National Unity Day 31 October 2021

Unity is Strength and we are oneness, our country is a great example of **Unity in Diversity** following the same spirit and nationalism **Surendranath Centenary school** celebrated the birth anniversary of the *Iron Man of India, Sardar Vallabh Bhai Patel as National Unity Day with great enthusiasm.*

The students of III to X and the teachers took a pledge to maintain peace and unity and strive to preserve their rich culture and varied heritage of the nation with all endeavour. Children put up a cultural programme, delivering speeches and narrating stories from his life. They enthralled the audience with the songs 'Hind Desh ke Niwasi' and danced on a patriotic number. Children also participated in poster making, slogan writing and paragraph writing.

The Principal **Mrs Samita Sinha** said that **Sardar Vallabh Bhai Patel** was the torch bearer of Modern India. She also added that his life is a great inspiration for all of us.

## SCS Celebrated FIT India Week

Fit India Movement is a nationwide campaign that aims to encourage people to include physical activities and activities that support our mental health.

In compliance with the movement, Surendranath Centenary School, Dipatoli, Ranchi also excitedly participated in this initiative and made necessary arrangements to view the launch of Fit India Movement by Prime Minister in this pandemic year.

As per the guidelines of CBSE, the school prepared a fitness plan to incorporate the same in students and staffs daily physical activities and ultimately in the daily routine of the ongoing online schooling. A plethora of activities was conducted under the campaign of Fit India Movement last week (23<sup>rd</sup> Nov to 27<sup>th</sup> Nov).

Right from the tiny tots to the students of class XII participated eagerly and uploaded photos and videos. The primary section together with their parents performed yoga and other physical activities whereas the teens made posters, participated in a quiz based on health and sports, wrote essays, participated in a debate and composed poetry on health and wellbeing, to make students realize that they are citizens of a democratic country which is diverse in terms of culture and religion but there is "Unity in Diversity".

Madam principal Mrs. Samita Sinha said that "Fitness has always been an integral part of our life, but there is indifference towards fitness issues now, with technology physical activities have reduced and our children are suffering from lifestyle diseases like obesity so it is the dire need of the hour to realize and find positive measures to stay fit and healthy."

## Project RAHAT @ SCS 2021-22 20 December 2021

In this winter season, Surendranath Centenary school started with a new project, **RAHAT** to render a community service. This winter season, the school decided to donate woollens to the challenged people with no proper housing and clothing. School has distributed 160 approx woollens to the poor and neglected people in the community. The beneficiaries were totally unable to purchase the warm clothes in any condition so the teachers and office bearers of junior as well as senior wing (entire staff members) with Christmas spirit and warm hearts showed caring and sharing to the needy. Project RAHAT will continue with the service in the near future and help the nation. The school Principal Madam Samita Sinha encouraged the staff members to do good and feel good.

SCS celebrates Birth Anniversary of Shri Atal Bihari Bajpayee 24 December 2022

A two days programme was organised by Surendranath Centenary school on the occasion of the Birth Anniversary of Shri Atal Bihari Bajpayee who served the nation twice as a Prime Minister. IOT based models were displayed like auto-mechanised irrigation, smoke bulb indicator, water indicator, automatic light controller, water tank indicator and many more in the ATAL LAB on 24th December by the students of classes VI to XI (approx 30 participants). Chief guest was Mr Dilip Kumar Singh an associate professor of BIT MESRA who graced the occasion by his presence. He said that one should be passionate enough to chase their dreams, one should also be very clear about their future endeavours. Children need to show concern towards society and invent simple and cost effective devices or equipments for the benefit of the society.

### **SCS celebrates National Youth Day 12 January 2022**

The philosophy of Swami Vivekananda continues to be a great source of inspiration to the youth of our nation. In order to honour the great leader, the nation celebrates National Youth Day on 12th January every year. The students of Surendranath Centenary School Ranchi showcased a special programme (online) in order to celebrate the birth anniversary of Swami Vivekananda - the youth icon of India. The primary students participated in speech, story telling, role play and also sang patriotic songs to commemorate the vibrant, creative and intelligent spirit of this day. The senior students of classes VI – VIII presented a wonderful programme through Google Meet. Children delivered speeches, a student of class VIII (Avni Mohan) sang a melodious song on Swami Vivekananda (Veer Senapati) and Hrishu Ghosh recited a poem in Sanskrit. An online Quiz was also conducted for the students and teachers.

### **Birth Anniversary of Shri Ranadeb Chaudhuri celebrated @ SCS 19 January 2022**

Shri Ranadeb Chaudhuri was the founder of Surendranath Centenary school, named after his grandfather Rashtraguru Shri Surendranath Banerjee. He was born on 19th January 1907, he was a Barister specializing in company laws. He was a Philanthropist and a guide. On this occasion of his birth anniversary Surendranath Centenary School organized a campaign for a noble cause, which is also the part of the project RAHAT. The Principal of the school Madam Samita Sinha paid a floral tribute and distributed masks and hand sanitizers to the office staff and also to the security guards of the school family. She said that the stakeholders of the school need to follow his ideals. Our mentor Shri Ranadeb Chaudhuri has contributed a lot to our nation. He has served the nation by promoting quality education and providing opportunities to the local people in the surrounding. She added that the family of Surendranath Centenary school feels proud to be the part of this institution.

### **Netaji Jayanti celebrations @ SCS 23 January 2022**

To commemorate Netaji's 125th birth anniversary the students of classes II and III at Surendranath Centenary school paid tribute to this great patriot and iconic hero of our freedom struggle. They performed a series of programs virtually which included speech, dance, a skit and a quiz based on his life. They also performed on Netaji's regimental song Kadam Kadam badhaye ja. School Principal Samita Sinha remembered and paid honour to Netaji's indomitable spirit and selfless service to nation and asked the students to act with fortitude as Netaji did.

**ISHAAN KUMAR OF SURENDRANATH CENTENARY SCHOOL,  
RANCHI WINS AT THE REGIONAL LEVEL IN INDIA SPELLING  
BEE 25 January 2022**

25<sup>th</sup> January 2022: We are proud to announce that our student ISHAAN KUMAR has emerged as the 2nd RUNNER-UP ( Group 3 ) in the **EASTERN REGION** at the REGIONAL CHAMPIONSHIP at the INDIA SPELLING BEE Regional finale.

The All India Spelling Bee for schoolchildren was held in the online mode, last year, due to the pandemic . The Spelling Bee is an English language contest held annually for students of class 1 – class 9 from more than 20 states in India.

Ishan's dedication and enthusiasm has helped him through the journey. Our little genius has succeeded and now stands high as the pride of our school. He has made our school, city and state proud, and we wish him all the best. The other winners at the school level are Aanjaneya Dwivedi, Chaitanya, Sonit Sandilya and Anurag Anand.

The prize distribution ceremony was held in the school premises and the prizes were given away by the Principal, Madam Samita Sinha in presence of the invited parents of the winners. Madam Sinha congratulated the students and motivated them to participate in such competitions in near future, she added that they need to continuously keep on working on their strength and achieve big dreams through their small actions.

**Teachers and students felicitated @ SCS on Republic Day**

This year Republic Day was celebrated at the broader ambit of Azadi ka Amrit Mahotsav. Republic Day 2022 was special in many ways as it fell in the 75th year of India's Independence. As part of Azadi ka Amrit Mahotsav various online events were organized by Surendranath Centenary School, Ranchi. More than 100 students participated in Essay Writing Competition, Quiz and PowerPoint Presentation. The winners were given away the prizes by the Principal Madam Samita Sinha on the occasion. Soumya Sinha, Aditi Singh, Monoshree Paul, Adrija Banerjee, Ayushi and Shivanshi ( VI to X) received the prizes for their outstanding performances. Madam Samita Sinha said that the children are the future of our country, they have tremendous energy, aspirations and dreams in their lives, she added that they need to work hard and play an important role in nation building and become responsible citizens.

Teachers were also felicitated on this occasion for their exceptional performances.

**Saraswati Puja Celebration @ SCS 05 February 2022**

Education is a shared commitment between enthusiastic students, supportive parents and dedicated teachers. School's growth is progressive if all three of them work together. India is known for its tradition and culture. Indians celebrate Basant Panchami, worshipping Goddess Saraswati, the Goddess of knowledge every year .

For this purpose, the students and teachers of Surendranath Centenary School celebrated Basant Panchami in collaboration with parents. Their involvement in 'Hands on Doing' was a great effort to inculcate moral values in the children and make them aware of their traditions.

The parents went ahead and made idols, bhog, alpana, sweets etc. Children worshipped Maa Saraswati through lively dance, song, speech, Ganapati and Saraswati Vandana. Garland making and decoration added essence to the festive celebration.

On this occasion, the Principal of the school Madam Samita Sinha said that by worshipping Maa Saraswati, children not only develop faith in knowledge but also get an opportunity to connect with their Sanatan tradition.

### **SCS celebrated International Mother Language Day 21 February 2022**

International Mother Language Day is celebrated every year on 21st February. The main purpose of celebrating this day is to promote the awareness of Language and cultural diversity all across the world.

Surendranath Centenary School organized a special event on this day. Children from Kindergarten to class VIII participated with all enthusiasm. In Junior section parents narrated a story in his/her mother tongue. Stories were translated by the children. Students of I & 2 were asked to write the moral. Class 3 to 5 were asked to write the review. The stories were told in different languages like Bengali, Oriya, Nagpuri, Tamil and Punjabi. Classes VI to VIII were prescribed few books available in the school library on regional Languages, they were asked to read and give a book review of the same, it was quite interesting and enriching, children learned more about the local dialects and Languages. They came to know about the rich culture of their state. Principal Madam Samita Sinha said that Languages are the mirror of the society and is an essential part of our country that tends to promote nationalism.

### **AIR 1 in Cybernation Olympiad 22 February 2022**

**Farhan Jawed Khan**, a student of **Surendranath Centenary School**, Ranchi. is currently in the 12th Grade. He is in Science Section.

Recently he participated in the Cybernation Olympiad, conducted by Lady K.C. Roy Memorial School, Ranchi. He got AIR-1 in senior category (IX TO XII). He will get merit certificate, gold medal, cash prize Rs 5000 and an enrolment of free course on AI. He said By Gods grace and the support of my friends, teachers, and family, I ranked first all over India. He also thanked the authority of Lady K.C. Roy Memorial School for giving this opportunity to the students to participate in a competition that truly embraced the essence of Technology & Artificial Intelligence into days world. Participating in this competition helped him gain a more profound sense and an increasing love for AI in today's world. What really stands out about this opportunity was the fact that students had to qualify in an MCQ-based test in Phase-1 and, upon qualifying, sit for an interview-based round with great people from their respective fields. This part allowed students to display their confidence, humility, and communication skills.

Since his childhood, he has always been a fan and a follower of technology and innovations. He gives credit to his teachers to instill this passion in him.

Farhan aspires to keep following his love of technology and become a Software Engineer. He hopes to travel abroad for his future studies for an international exposure. He is a child prodigy, he is not only good at programming and Analytical skills but also excellent in Problem Solving Skills. Principal Madam Samita Sinha congratulated him for his success and motivated him to work hard and Keep his spirit high in his future endeavour.

## **Celebration of National Science Day at SCS 01 March 2022**

To spread the message about the significance of Science in our daily life, a series of activities were organised on a virtual mode for Junior classes as well as in ATL for senior section. Classes I-V included pep talk by parents, Power Point on life and achievements of Sir C.V. Raman and a virtual tour to Science City Kolkata, keeping in mind the theme of National Science Day 2022. The parents, Dr. Jahangir Imam (Forensic Scientist), Mukund Kumar Sinha (Assistant Director) in Directorate of Forensic Science and Laboratory, Hotwar and Mamta Kumari (Dietician) came forward to share their experiences & interacted with children to make the day memorable. A short programme was organised by Senior Section students and teachers that included Speech, Role play and Quiz. The Chief Guest was Shashi Kant Shankar, PHD Scholar and Junior Researcher at the Centre for Educational Technology, Tallinn University, Estonia, who addressed the students online and also briefed them with valuable information that contained recent shift in scientific research, Educational Technology, Technology Enhanced Learning, Learning Analytics and Career and Academic options in Learning Analytics. He motivated and inspired the students to follow their heart and pursue their dreams. The Principal, Mrs Samita Sinha, said that children need to inculcate Scientific temperament and think critically and creatively so that they can bring innovation in the field of Science. She also emphasised on Integrated approach in Science and Technology for sustainable future.

### **SCS students shines at National Level Arithmetic Genius Competition 24 March 2022**

**Chaitanya of Class III** bagged the Performer award at the **National level Arithmetic Genius Contest**. He was the **second runner up** at the State level competition. He has received a trophy, certificate & cash prize of **Rs. 5000/-**. He is a genius & does mathematical calculations in seconds. Academically, a ranking child, he actively participates in all school activities & competitions and has won many prizes too.

**Ojal Sahu of Class V** also made the school proud by bagging the **Performance Award** at the **State Level Arithmetic Genius Contest**. Principal Madam **Samita Sinha** said that we need to explore the talents and guide them so that they can excel in every field.
